MISSION STATEMENT: To deliver broad-based transportation and logistics solutions for private, local, state and federal customers with the greatest ethical and professional standards.

CAPABILITIES

Full Truckload / LTL
We maximize efficiency to handle your freight needs through modes of full truckload or LTL.

Expedited Delivery
Our experienced logistics coordinators use our own assets, partners and the latest freight management software to deliver with maximum efficiency.

Over Dimensional / Hazmat Capability
We are professional coordinators and problem solvers. Gipso and our partners have years of experience moving specialized freight. Let us handle all the permits, escorts and paperwork involved.

DIFFERENTIATORS

Self-Certified SDB & MBE

PAST EXPERIENCE

Portsmouth Naval Shipyard (Kittery, ME)
Westover AFB (Chicopee, MA)
Naval Submarine Base (Groton, CT)
Naval Submarine Base (New London, CT)
Dover AFB (Dover, DE)

Police Benevolent Association
of the City of New York, Inc.

CORE COMPETENCIES

- Utilize our assets along with vetted third-party companies to safely and affordably move freight nationwide.
- All third-party carriers must meet the highest motor carrier compliance, vehicle safety regulations and insurance requirements.
- Our experienced logistics coordinators maintain open lines of communication from pickup to delivery between the drivers, shippers and consignees.
- Our load tracking software provides peace of mind with real time precise tracking of shipments.
- Can provide dedicated trucks and has the network and ability to dispatch in urgent times of need or emergency situations.
